

ANALYSIS

This ordinance amends Chapter 11.60 of Title 11 – Health and Safety of the Los Angeles County Code to clarify that the County has adopted the areas of special flood hazard identified by the Federal Emergency Management Agency in the Flood Insurance Study for Los Angeles County, California and Incorporated Areas, dated September 26, 2008, including the accompanying Flood Insurance Rate Maps and all subsequent amendments and/or revisions thereto.

The areas of special flood hazard are utilized in connection with the enforcement of development restrictions within flood plains and other flood-prone areas.
